

# 2019-2020 Financial Aid Program

The amount of available student financial aid is determined each year by the CCA budget, and monies for funding are solicited by the development office in the form of gifts to the annual fund. After the amount is fixed, the financial aid committee reviews the student aid applications and allocates the amount of student aid for the qualifying families.

## **Qualifications to be eligible for student aid are:**

1) **Financial Qualifications:** Families applying for student aid must fill out a financial aid application each year and **include a full copy of their most recent federal tax return** in order to show financial need. If your 2018 taxes are not complete or readily available, you may submit your 2017 taxes, **NOTE: Financial aid cannot be considered without these forms on file. Applications without completed information of needed forms will be returned.**

**Families whose income is under \$40,000 will be considered first. Families whose income exceeds \$40,000 will not be considered until after the under \$40,000 income families. Those families receiving aid must keep their accounts current. Families who have delinquent accounts may have their student aid revoked.**

2) **Academic Qualifications:** Students who receive financial assistance must maintain at least a “C” average in all subject areas. If a student receives a grade below this average in any subject, he or she must bring up the grade during the next grading period. Students on academic probation for two consecutive quarters will have the student aid revoked.

3) **Behavioral Qualifications:** Students who are receiving financial assistance should maintain a good Christian testimony both at school and in the community. They should not be a discipline problem while at the Academy. Students on behavior probation for two consecutive quarters or suspended for any reason will have student aid revoked.

4) **Fundraising/Volunteering:** Families receiving financial assistance are expected to participate and/or volunteer at AT LEAST TWO of CCA’s Development events: Annual Fund, Spring or Fall Fundraiser, Golf Marathon/Fun Fair, etc. The monies the family receives for assistances comes in through gifts and these fundraising activities and the goal is to help raise the monies awarded to the family back.

Complete these forms completely and carefully. The information will be used confidentially by the administration to evaluate your eligibility for tuition financial assistance. Your completed application is due by **MAY 31, 2019**. Applications received after this date will be processed monthly if funding is available. You will receive notification by letter of a decision on your financial aid application decision in June.

# 2019-2020 Financial Aid Agreement

- I, the recipient, promise that all information included in these forms is complete and accurate.
- I, the recipient, promise to uphold the standards of CCA and CBC.
- I, the recipient, promise to participate in **AT LEAST TWO** Development office events.

Office use only:

Event(s): \_\_\_\_\_
